

G Am7
So you see, I love you so much
Am7 G
That I don't want to watch you leave me baby
Am7 G
Most of all, I just don't, I just don't want to be free

(CHORUS)

G Am7
I was just, I was just, I was just sitting here thinking
Am7 G
Of your kisses and your warm embrace
G Am7
When the reflection in the glass that I held to my lips
Am7 G
Revealed the tears that fell on my face

(CHORUS)
